

# TEAMSTERS LOCAL 1150 SCHOLARSHIP FUND 2010 SCHOLARSHIP GUIDE

## THE PROGRAM

Teamsters Local 1150 has established a scholarship fund to assist eligible applicants in their pursuit of higher learning and career building. This includes full time study in an accredited college or university or a technical school. We consider all applicants without regard to race, religion, gender, disability, or any other legally protected status.

Ten \$1,000 one-time scholarships will be awarded. These scholarships are disbursed to the college, university or technical school of the recipient's choice at the beginning of the recipient's freshman year. A recipient may not apply if she or he is attending a tuition-free institution or attending an institution tuition-free.

Eligibility requirements and application procedures are the same for all 10 awards. The Teamsters Local 1150 Core Scholarship Committee will confirm applications are complete and applicants are eligible. An impartial, independent educator will review all potential recipient applications and select the 10 recipients.

## SELECTION OF RECIPIENTS

Scholarship recipients are selected on the basis of academic record, demonstrated leadership, participation in school and community activities, honors, work experience, goals and aspirations stated in the application, unusual personal or family circumstances and one outside appraisal from an applicant's teacher, guidance counselor or employer.
